THE WORK

Campers repair ten pre-selected area homes. The residents pay nothing. Our work is a gift! Typical work projects may include drywall installation or patching, replacing flooring, painting, installing gutters, fixing porches, constructing wheelchair ramps. The possibilities are endless!

THE WORK CREWS

Each crew will consist of adults and youth from different churches. No specific skills are required to attend FredCamp, but skills or experience needed for certain jobs are taken into consideration when we form crews.

EVENING PROGRAMS

This type of experience can be life-changing; so, in the evening, we will creatively reflect on the day's activities, the week's theme and find God in our experience. Everyone is expected to participate!

FREE TIME

Don't worry, there's daily free time to relax, enjoy some basketball, write a FredGram, or visit with FredCamp friends. On Wednesday, we'll take a well-deserved half-day break for special recreation activities!

OUR LODGING

For the week, we are lodged at Fredericksburg Christian High School, 9400 Thornton Rolling Road (just south of town off Route 17).

TOOLS

Each camper is asked to bring at least two tools to share, in addition to tools they bring for personal use. Groups will be assigned tool marking colors so that tools can be sorted and returned. It's amazing that our community tool room usually provides just what we need to complete the week's work!

TRANSPORTATION

Each adult camper is expected to provide a vehicle large enough to transport his/her crew of six to and from their work site daily. (This may mean borrowing a van from within your church community for the week.)

CAMPER REQUIREMENTS

Youth are 14 years of age (or entering the 9th grade); many return year after year, and are welcome to do so through the FredCamp year coinciding with their high school graduation. Adult campers are age 23 and up. FredCamp is a full-week retreat experience which demands complete commitment from every adult and youth camper. Part-time camper participation is not permitted. Composition of every group attending must be gender balanced to maintain our adult-youth supervision and insurance requirements. If your group has both male and female youth campers, it must also include both male and female adult campers; further, your group's final composition must include one adult camper for every five youth campers. In larger groups, this may require more than two adults in one or the other gender in order to ensure the gender-specific supervision requirements are met. Just remember: adults attending with your groups are fully-participating work campers, too! Call us if you have questions about this.

THE COST

The total cost is \$250 for each camper (youth and adults). This covers everything: meals, housing, accident insurance, building materials for our work AND your own official 2012 FredCamp T-shirt.

TO REGISTER

FredCamp is limited to 50 youth and 10 adult campers! Our established maximum group size is 10 total campers from each church; call if you have more. Register early, but not later than April 15, 2012. Send a completed group registration form (see back panel) and your group's deposit check (\$100 per person), made payable to FredCamp, Inc. Please note that deposits cannot be refunded after May 1, 2012. The balance due (\$150 per person) is due on or before May 15, 2012.

NEED MORE INFORMATION?

Our website address, e-mail and phone numbers are found below and on the front panel. We'd be glad to have a FredCamp board member come and address your group, too! Just ask!
